

Meet the Campbell Family

Working for a Better life Now and for the Future

Jenny Campbell is a dedicated and proud mother of 5 wonderful children which include one girl and four boys. Her youngest two boys are Matthew, age 11, and Joseph, age 9 and they live with Jenny in McKinney. Her oldest three children, Octavia, Zackary, and Anthony are grown and reside in Florida. Jenny is also "GIGI" to her precious grandson who is 16 months old, and her pride and joy.

Jenny has been working as a registered dental assistant for 16 years and currently works for an orthodontist in Allen. She was born in San Antonio but moved from coast to coast and even overseas as part of a proud military family. She has been back in the Lone Star State and DFW area since 2005, and has several extended family members in the area.

Jenny is an incredible volunteer for Habitat. She first helped build a Habitat home in Rockwall in 2009, and in her own words she has been "addicted" to building

homes for Habitat ever since. She has helped build, paint, or do yard work on many homes in the past 12 years. The compassion and kindness of the people that she has worked alongside with are what has kept her coming back to volunteer over and over again. Jenny gets so much joy and satisfaction in helping someone's dream come true and seeing them have a home of their own.

In 2015, Jenny was employed by an orthodontist that filed for bankruptcy and immediately closed the doors, suddenly leaving Jenny as an unemployed single mother. The financial hardship that this created in her life made her realize that a Habitat home could be a great blessing by providing affordable housing for her and her boys.

She was thrilled to be approved to be a Habitat homeowner and cannot wait to get started on her very own home. This sweet girl with a contagious smile and gracious attitude is looking forward to having her own garden and a place for her grandbabies to come and play. Plus, she just adopted a therapy dog named Bella for her son, Nicholas. She now knows that her dream of owning a home will soon become a reality.

Our Mission

Seeking to put God's love into action, Habitat brings people together to build

You can help change a family's life too!
